CARROT QUEST

The Easter Bunny has lost 10 CARROTS around Castlebank Park in Lanark. Can you find them all?

Start at the Children's Play Area then move to the Wallace Rose Garden (in front of Castlebank House), then onto the Bog Garden & Fairy Dell wood carvings.

Here are 10 clues to help you find the Easter Bunny's lost carrots...

1. Hop to it – the first carrot can see a great big frog!
2. The second carrot has time travelled to meet William Wallace!
3. Under the green archway for carrot number three!
4. Past the big Beech tree, the next carrot is near the sundial lawn!
5. The entrance to the Clyde Walkway hides carrot number five!
6. **See a big boulder? You're very close to carrot number six!**
7. Almost finished now – carrot number seven is near water!
8. Carrot number eight waits at the bottom of some stone steps!
9. Travel down a tunnel to find carrot number nine!
10. The Fairy Queen knows where the final carrot is lurking!

WELL DONE and HAPPY EASTER!

Carrots can sometimes be tricky to grow at home! If you'd like to give it a go, try growing the variety **'Paris Market – Atlas'** which are small 'round' carrots you can grow in containers! *CRUNCH*
